WELL WORRY NO MORE

Before the wholesale

"INSIDERS JEWELRY CLUB"

was formed, your ability to buy jewelry at true wholesale was unheard of in the jewelry industry

Without industry experience and a jeweler's license, you can't even find a wholesale supplier that will sell you fine jewelry.

The club takes the work out of comparison

shopping through site after site trying to determine if you are getting the best deal on a beautiful diamond pendant, or a pair of black Tahitian pearl earrings. If you need a gift for your wife and you are a club member,

you just go to

www.RamseyGemstones.com

login and find what you need.....

knowing you have just bought at the lowest prices you can possibly pay whether online or in a store.

Club members receive their own special log in ID and PASSWORD

**THERE IS NO OTHER WAY
THAT SOMEONE FROM OUTSIDE
THE JEWELRY INDUSTRY CAN
GAIN ACCESS TO FINE JEWELRY
AT TRUE WHOLESAL.**

The jewelry industry is a very traditional, old and guarded business. To open an account with a major supplier, you would have to have substantial credentials.

You must not only provide Jeweler's certifications, you must also provide receipts for jewelry display cases, a retail lease, or proof you have bought inventory through another smaller supplier.

They give you no credit terms. When you buy a \$10,000 ring from us, we have to pay our supplier cash and float the funds until our customer pays us. In short, it requires a major investment of time, resources and capital to be in the jewelry business.

We are offering the ability to buy diamonds, gold, platinum, moissanite, etc, at the prices we pay our supplier.

We only want our customers buying for

their own needs. Insiders Jewelry Club is not to be used to enter the jewelry business.

No one offers this value!

Yes, there are limits. To make sure that they are not in the jewelry business... club members can only buy 6 pieces of jewelry each year.

We still have to process the orders, give a money back guarantee, and provide the same great service you can expect if paying full price.

YOU MUST ACT RIGHT NOW!
FOR ONLY A VERY LIMITED TIME
MEMBERSHIPS ARE ONLY
\$197 bucks a year.

How do we make our money?

Our entire revenue comes from our members annual membership fees.

We make no profit on the purchases our members make.

This is a huge value as one \$650 piece of jewelry would save enough to pay for your basic membership. If one is buying a \$1300 piece of jewelry, they would save double the price of the membership. If someone buys his wife a set with a necklace, ring and earrings that costs \$10,000 at our regular prices, **he would save over \$2500 with his membership.**

Moissanite buyers save even more as we are forced to sell it at a higher mark up than the other items we sell on our regular pricing.
