Mr. Roger Roberts  
P.O. Box 3413  
Lebanon, TN. 37088

Roger, allow me the pleasure of saying hello once again.

I would like you to imagine a business with an **unlimited income** potential. A business that can be started with an extremely **moderate investment** of time, and money. A business that requires **little effort**, can be started part-time, can be run in as little as 4 spare hours a week without having to change anything about your present life, and can be operated right **from your home**. A business with **no bounds** or limitation with respect to its growth. A business in which **you deal** with the fine, established offices and businesses in your area on a **friendly** and **profitable** basis. **A business that provides** the people in these businesses with some of the best known, most desired, snack and drink products, and brand names in America today. Those businesses along with all their employees, customers and visitors are going to absolutely love you. They won't be able to contain themselves waiting for you to show up approximately each week and fill their office refreshment centers with new "goodies" to make their time at work more productive and enjoyable. Starting to sound real good?... well you are about to be introduced to such a business.

Inside this package is absolutely everything that you need to know to do your Due Diligence and fully and properly evaluate, and learn about, this business for yourself. The "centerpiece" contained in this package is our **62 page** full color book. Its growth stopped at 62 pages because we felt that there was absolutely nothing else left to show you about this business. We have covered everything in that book for you.

**OUR SCHEDULE CALLS FOR** our advertising in only one area of the country each week. **WE THEN IMMEDIATELY SET UP THAT AREA.** We do that by selecting that areas **ONE** business owner of our Office Refreshment Centers within the next 4 weeks that follow our advertising in that area. We usually receive several applications for each area that we are setting up.

**However... WE ONLY APPOINT ONE!!! OWNER OF OUR OFFICE REFRESHMENT CENTERS IN EACH AREA. THAT'S IT... JUST ONE! We recently ran an ad in your area because...**

**OUR SELECTION DATE FOR THE ONE REFRESHMENT CENTER BUSINESS OWNER IN YOUR AREA IS FIRMLY SCHEDULED FOR...**

**MAY 11, 2006**

**UNLESS WE CONSUMMATE THE AREAS SELECTION PRIOR TO THAT DATE**
