

WARNING

In order to wildly Increase your profits

You Must Evacuate Your Shop

and visit our showroom

as soon as possible!

Obviously, by the above headline which was designed to quickly catch your attention... you know that we also realize... that the customers first glance... that first few seconds.

Are so terribly important
to your sales and your profits.

The entire Ms. Devine series of collections were designed for you with that in mind

Let us show you which consistently outsell all the others combined by a ratio of 2 to 1

PRESENTING

Ms. Devine

The premier, high selling, fashion jewelry line – providing the retailer with the highest of markups

HIGH PROFITS – SUPER PROFITS – OVERSIZED PROFITS

Hand made fashion jewelry from around the world

Each piece supports the other and with merchandising material supplied by us free of charge.

While each piece is classy several pieces together can be irresistible.

Some of our items are currently sold in Harrods London and Galleries La Fayette Paris

- Stop selling the exact same items as everyone else.

- Easy to display and store with very high \$value per square metre.

- Ms Divine collections are designed to work together.

- A story of items where each piece supports and flatters the others.

- ✓ • They are designed to be merchandised in a small area giving you the retailer an extraordinarily high return per square meter.
