COME AND GET IT**

**How many sales have you lost because your
client didn't qualify for the loan?**

**Now you can sell every customer that walks through your doors
even if they have Bad credit or No credit**

- **Just imagine never having to say, "No" to a customer again.**
- **What if you could turn every walk-in into a buyer**

We are the most effective nationwide credit restoration company on the planet... **what we do will blow your mind.**

All the other credit restoration companies simply remove the negative remarks from your applicants credit file... **and that's all they do.**

But since those negative remarks only account for 35% of that persons credit score... just removing them alone is usually **not enough to qualify them for a mortgage.**

We at Credit Boost Direct want YOU to be able to work with absolutely everyone that comes through your door...

**even if they have Bad credit or No credit –
JUST IMAGINE NEVER HAVING TO SAY, “NO” TO A CUSTOMER**

We turn your turn-downs into CASH COWS!

At no cost to you, in fact **we have lots of “front money” for you.**

Because of our desire to really help you... just removing your applicant's derogatory credit items **is not all that we do.**

THE POWER OF

At the same time that we are quickly removing their credit NEGATIVES... we are **ADDITIONALLY** adding a really great strong POSITIVE credit history... which is really what is necessary to get them a mortgage.

we accomplish that by doing things like...

- getting them powerful rotating unsecured lines of credit placed into their credit report...
- and getting them unlimited unsecured trade line loans...
- getting them unsecured revolving credit accounts of up to ten thousand dollars each...
- and getting them issued additional credit cards.
- Now they are really credit worthy.

What we do is capture ALL OF YOUR TURN DOWNS due to bad credit. We enroll them in our unbelievable program, **and send them back to you when their credit is high enough and they are loan ready.**

Our service WILL **GREATLY BOOST YOUR INCOME**, because
every prospect that walks in your door is now a qualified BUYER.

That isn't all we do for you.

We make sure you receive money before a loan is even originated.

2

NOW LISTEN TO THIS!!! - once we receive the information from you about prospects who were not qualified, we will contact them. Once one of these turn-downs enrolls in our program, we send you a check for \$50 for each and every one of them.

10 x \$50=\$500

20 x \$50= \$1,000

30 x \$50= \$1,500

This will help you recoup some of the time and effort you spent on them, not a bad arrangement, is it?

Also we will send emails to all the customers in our database introducing your mortgage service... as our new Preferred Service Provider for their area. And like I said we are not interested in a referral fee from you...

With our Preferred Service Provider (PSP) program, you will receive loan leads instantly. You will be notified as soon as a customer in our network becomes pre-qualified for a loan for YOUR product.

As a valued **partner you will also receive** 24/7 access to our state-of-the-art online system. You simply input your prospects' information and track their credit boosting progress. You can stay in constant contact with them throughout the whole process, and are notified when they are loan ready.
